Dear Sir or Madam,

Ref: Application for Sales Executive

I am applying for the position of Sales Executive which was advertised in the Guardian Newspaper dated 6th February, 2009. I would very much love to use the experience I gained working as a Sales representative to help DG Investment realize excellent clothing sales.

I recently graduated from the Copperbelt University with a diploma in Marketing. During my final year at the university, I worked with MTN as a sales representative for a period of four months. During those months, I learnt valuable lessons on marketing strategies that could be very useful to your company.

I developed excellent communication skills back at school, and I was used often to give speeches in behalf of the school on important occasions.

I am a very social person and my cheerful disposition has made it easy for me to make a good number of friends. This could be an added advantage as human interaction is what makes the sale industry a success. Details of my qualifications are in the enclosed CV.

I am looking forward to meeting you as soon as I am considered to further discuss my qualifications and experience. You may reach me at these two numbers: 09442233 or 09223311.

Yours faithfully,
